CAD-CAM libraries allow for design and manufacture of custom made restoration products that fit Adin's implants using CAD-CAM Technology.

Adin's CAD-CAM restoration parts have been added to the Exocad, 3shape, Dental Wings, and are available for downloading on our website at: <https://www.adin-implants.com/product/cadcam/>

Adin may update its supported systems software list from time to time. The updated list will be available on Adin's website address mentioned above.

Features

- The use of CAD libraries for Temp restoration saves time and is design to be more accurate for both the doctor and the laboratory
- Titanium Temporary Cylinder (RS4900) was added to the 3D libraries in order to make the connection between the TMA and the temporary restoration
- Two different lengths of restoration were added to the libraries: Half High cylinder/ Full High cylinder
- Different options for cement were added to the libraries: 0.25 / 0.5 Cement Gap

The libraries contain

- Two Scan Body height variations fit all platforms: RS, WP, RP, NP, UNP and TMA-MU Platforms
- Ti bases: Engaged, Non-Engaged and Angular Engaged
- TMA Cementing cone and Temporary TMA restoration
- Library installation instructions
- Library files are available for downloading using the link above and are also accessible in the various software libraries.
- After downloading our library, save the library files on your computer and follow your CAD-CAM supplier loading and installation instructions in order to load and install our libraries onto your system.

About Adin

Every business starts with a vision.

Ours is simple: We want to create the best possible dental implant solutions that offer uncompromising quality at an affordable price. It's our people that help our business thrive and grow. That's why we place so much importance on building strong personal relationships that enable us to meet our doctors and distributors' needs. Understanding that their success is our success, we're focused on providing professional, high quality and affordable solutions and exceptional service that help them grow.
